IMPORTANT SUMMER 14-15 INFORMATION:

1. The Summer Semester Financial Aid Request form is required to be considered for Summer Term financial aid.

2. To receive Summer financial aid, students must be meeting the conditions of McMurry University’s Satisfactory Academic Progress policy (SAP).
   
   ➢ If a student has been awarded summer aid and does not make SAP at the end of the Spring semester, **Summer awards will be cancelled**.

3. Award eligibility is based upon each student’s remaining annual limits for grants and loans.
   
   ➢ If the student has received the maximum grant and/or loan eligibility for the Fall and Spring semesters, there may not be any remaining eligibility for Summer.

4. Dropped courses and withdrawals may result in a reduction or cancellation of Summer awards or a repayment of funds already disbursed. **Summer aid recipients should contact the financial aid office and speak to a counselor prior to altering summer schedules.**

Total enrolled hours for all three summer sessions are used for determining disbursements.

FEDERAL DIRECT LOAN ELIGIBILITY

Your eligibility for a Federal Direct Loan for a summer session is contingent upon the federal loan limits based on credit hour completion. The Summer term is still considered part of the 2014 – 2015 academic year. Therefore, you cannot receive more than the federal loan limits denoted below for the Fall, Spring and Summer cumulatively.
