

## 2015-2016 Household V4-Verification Worksheet McMurry University

Your 2015-2016 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA. McMurry will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA (if applicable) **must complete and sign this document**, attach any required documents, and submit to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

*According to federal requirements, we must verify the number of people in your household. Please complete and return this form. Upon receipt of this information, we can continue processing your financial aid file.*
